

Roommate Problem

What will you do?

What will you say?

It is late at night. Your roommate is watching a football game and cheering very loudly. You cannot sleep.

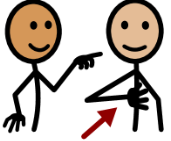

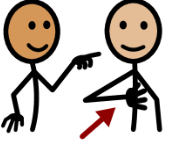

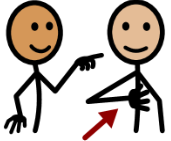

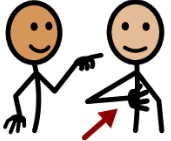

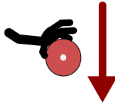

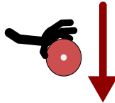

You see your roommate using your toothbrush to brush their teeth.

Your roommate always uses the microwave but does not clean it after using it. It is always messy.

Your roommate does not take out the garbage. You always take out the garbage.

Your roommate always comes into your room without knocking.

Talk it over. 	Talk it over. 	Talk it over. 	Talk it over. 
Talk it over. 	Get mad. 	Get mad. 	Get mad. 
Get mad. 	Get mad. 	Do it yourself. 	Do it yourself. 
Do it yourself. 	Do it yourself. 	Please turn it down. 	Please turn it down. 
Please turn it down. 	Please turn it down. 	Please turn it down. 	We need to take turns with this. 
We need to take turns with this. 	We need to take turns with this. 	We need to take turns with this. 	We need to take turns with this. 

For hands-on instruction, print, cut out and laminate.
