

TRANSITION SUMMER INSTITUTE 2022

Keynote Speaker: **Hasan Davis**

Part stand-up comedian, part storyteller, part statistician; Mr. Davis invites us on an emotional experience. Sharing his journey from Juvenile Delinquent to Juris Doctor, **he is proof positive that great things can happen when adults champion the lives of children!**

Hasan shares his story of going through the education, justice and social service systems that often failed to provide support for him to be successful. Luckily

along his journey, he had 'hope dealers' who found a way to engage, encourage and empower him.

Hasan's story highlights the role models that had a huge impact on his life, and teachers are doing this day in and day out. He will help you to remember why you joined this profession, and even though you may feel discouraged at times, you are having a great impact on this generation!

Join us for Hasan's presentations on becoming a Hope Dealer, and learn tools that you need to engage, encourage, and empower students!
