

In April 2020, shortly after the pandemic caused schools and businesses to close their doors and prevented in-person meetings, TSLP began 'Transition Roundups' zooms as an alternative way to share information with special educators. Due to the positive responses received, Roundup zooms continued through the 2020-2021 and 2021-2022 school years. The PowerPoint or the recording of the Roundups are posted to this website as allowed. Scheduled Transition Roundups for the 2022-2023 school year are as follows:
