'Catch the Wave' is a one day conference designed specifically for high school students who have a disability and are considering a post-secondary experience at a university, college or technical college.

*** This event is for students, parents, special educators, school counselors, and any other interested parties. ***

Highlights of the Day:

- Speakers and activities will help students to think about career plans and where to get the required education or training.
- Visit agency booths and learn about their services.
- Learn about the importance of having strong self-advocacy skills and the differences between accommodations and modifications.
- Know what will be expected at the college level and what students can do to increase their chances for success!
- See demonstrations of assistive technology that could benefit students in school.
