Quick Reference

This document provides a quick reference for the ***Special Education Exiter (SP.003.01-A)***. The report provides a list of students who exited special education. It helps identify data quality concerns if the exit code from enrollment is different from the exit codes from special education. It can also be used to fulfill reporting requirements.

The report is found under **SPECIAL EDUCATION REPORTS** in the **REPORTS** tab within SD-STARS.

Questions Report will Help Answer

- Do the exit codes for general enrollment and special education crosswalk? In other words, are there data errors reported in Infinite Campus?
- Why are students leaving special education services? (i.e., Are most students graduating or dropping out?)
- What are exit trends in special education at a school or district?
- Which students should be included in Indicator 14 Appendix A data collection?

Intended Audience

Principals; Administrative Staff (school and district); Superintendents; Special Education Staff
